Greetings from Sister Nivedita University!

The University was established with a vision to impart holistic education to all in 2017. In a short span of time the University has managed to achieve laurels that have cemented its place as one of the sought after names in higher education in the state of West Bengal. The motive of the University is to keep an eye on all-round development of an individual. The University has its infrastructure and resources to cater to the present generation of students. We have various schools of study where we offer certificate programs in each ranging from 6 months – 1 year.

In addition, we also offer degree courses that range from 3-4 years. The advantages of studying in a University that has a global approach is that students from all over the world can find their own interest here. From a variety of courses in a plethora of disciplines, a student can find their niche and excel in it. Plus, the added incentive to study in India and in the state that boasts of a rich cultural heritage of its own. Students will get to enjoy life in the country as a local. Our students will help students coming from other countries integrate themselves into the ways of living and be a part of our culture.

==We also offer various scholarships to many meritorious students, the foremost being the 'Chancellor's Scholarship'.==

- This is starting from September 2022 and will go on till March 2023.

- This is awarded to students who have shown exemplary academic performance and is personally looked into by our Chancellor, Mr. Satyam Roychowdhury.

- As a gesture of our strong partnership with you, the tuition fees and the food (and accommodation) are waived off for the first time.

- This commences from September 2022 onwards. Once we have the number of students coming to Sister Nivedita University, we can confirm the Chancellor's Scholarship accordingly.

All our Degree courses have separate criteria depending on the School of Study. The basic remains High School pass out. Post Graduate Degree courses have a 3-year Graduation Degree as a requirement. Diploma and Certificate Courses have their own criteria as well.

Also, our application process is on as we speak, our session commences from August 2022.

Outlined above are the Schools of Studies in Sister Nivedita University, for further details please refer to the links provided for each. We offer the maximum benefit for not only our students but for students from all over the globe who wish to study in our University.

Students benefit from studying in an institution that reflects global practices that is rooted in culture. International Students get to experience life as a local resident and amalgamate into the joys of living in another country and/or city.

India is unique, each state has its own heritage and culture. Being located in the Eastern part of the country, West Bengal provides a flavour of only 1/28th of what India is (there are 28 states in India).

We really hope that we can collaborate with you, our esteemed partner, as this will help students of both countries of the respective partner University. Our aim is to provide the best experience of campus life along with academic excellence.

We look forward to hear from you on how we could take this further.
