IBM PG Pathway Outline

Purposes of the year abroad

Enhancing, developing or improving...

- Language skills
- Intercultural skills
- Career opportunities & Hard skills enhancement (content not available in Germany or at the home university)
- Personal growth
- Cost minimization
- Networking

Requirements

Quick check list

The following **requirements** must be fulfilled during your year abroad:

- you must earn a total of **60 ECTS** for the full academic year (or 30 ECTS for one semester)
- Host university programme contains at least **50%** business modules
- A minimum of **75%** of all modules must be taught in English
- Is it an H+ university? <http://anabin.kmk.org/>

*Remember: there are no summer semesters outside of Germany;
January or beginning February*

Conditions for going abroad

- For **UG** (Bachelor studies, year 3 or 4): **120 ECTS** (only two unfinished modules allowed)
- For **PG** (Master studies in the UK ONLY, plus DBS and UCD or UK unis abroad): **180 ECTS** (with thesis & viva, without ONLY MMU)

Explanation:

three years is 3 times 60 credits; w/t the thesis & viva (**15** credits), students have **145** credits and need to do extra points; not every uni accepts students without the thesis; MMU takes PG applicants with fewer than 180 credits but who have an apprenticeship (*Ausbildung*)

Internship (Praktikum)

§ 9 Pflichtpraktikum

„Entsprechend § 10 Abs. 2 Nr. 3 ist für alle Studierenden ein obligatorisches Praktikum im kaufmännischen Bereich von mindestens 6 Wochen bis zur Zulassung zur Bachelorarbeit erforderlich.“

This means: if you do not do your thesis before you go abroad, there is no need to have any proof. Indeed, you could go abroad and do an internship when you come home and then do the Bachelor thesis at the end. However, some UK universities would not admit you into their Master programmes.

Timeline

Some universities require your **pro-forma** degree (180 ECTS including the thesis&viva) as early as on **August 1**.

This means, you have to register your thesis (StPO: “nach schriftlichem Antrag“) in **May** at the latest, making sure the supervisor is in Germany to **mark the thesis** and **do the viva** with you when you are done. The **earliest** registration is **March** with all Year 1 and 2 classes successfully passed plus the complete fifth semester (or 30 ECTS from Year 3). Remember some classes might only be offered once a year!

Prerequisites:

120 ECTS (Year 1 and 2)

Internship (six weeks)

30 ECTS (from Year 3)

Thesis: 10 weeks

Explanation UG and PG

Undergraduate studies (UG)

- This term refers to **Bachelor level studies** either in the third or fourth year.

In 2022, students studied at the following universities:

- MMU (Manchester)
- Avans (partner university)
- Rennes

Postgraduate studies (PG)

- This term refers to **Master-level studies** in the fourth year
- The programme must contain 50 per cent business modules; please check before you go

Caveat: International Business Management programmes tend to be at a lower level due to the 'mixed bag' that enrol (language level problem)

In case you postpone the thesis, remember that thesis&viva (Bachelorarbeit/Kolloqium) are 15 ECTS credits and if you want to do a MASTER (=PG), you need 180 ECTS points. That would mean doing extra points in the business department OR IBKN totalling 15 points.

PG Application timeline

- Send off application in February/March before you go (<http://www2.mmu.ac.uk/study/postgraduate/apply/postgraduate-taught-course/>)
- After two to four weeks you will receive a conditional offer
- Hand in the final grades in August (done by coordinator if he has your transcripts in English)
- Receive unconditional offer in September

The Application Process

IMPORTANT

Please register for the year abroad through the Student Portal before you go abroad

-> the sooner you register, the better

-> it is only for statistical purposes, enabling the Hochschule Bochum to record the grades you obtained during your year abroad

Preparation & Application Timeline

I Erasmus or non-fee partner (UK/MMU, Poland, Turkey, etc)

March 15: application deadline (SoleMove)

II Popular host universities (meaning several students every year)

March: sending off applications, applying online

Same time: contact the fellow students there to take over their rental contracts

III New or less chosen host universities

Summer of the **year before** you go / at least one year before : contacting the programme leader / administration of host university

Explanation for longer time frame: our system (two degrees in four years, our Bachelor's and their Master's degree require weeks of negotiations)

Caveat: in some cases, the host university will not be willing to award the PG degree; if location is everything, go for the UG degree (also negotiable)

Application preparations

Prepare applications (about a year before you go)

- Collect information about the host university (make sure it is credited H+ in the Anabin system) <http://anabin.kmk.org/>
- Check study programme, content and degrees
- Select target university: Learning Agreement for non-partner universities (deadline June 1)
- Scrutinize admissions regulations of target universities and make your own checklist
- Prepare applications (copies of German documents, adjust templates of grade transcripts, references etc)
- Calculate costs (studies, enrolment, living, financing)

Application process

- UG: partner universities (direct application)
UG: non-partner universities (UCAS)
- PG (all unis, partner or not): put together application package (if applicable)
 - references (from professors in your focal areas)
 - grade transcripts in English (templates are online)
 - CV
 - Letter of motivation
 - application form
 - TOEFL equivalence certificate; or German Abitur copy; Brexit means SELT language test for visa application

Proof of language

- My Toefl equivalent document is accepted by Heriot Watt, Dublin Business School, and some others
- UCD needs the Duolingo (cheapest test online)
- Many UK universities need an SELT for the visa process
 - Pearson: 'PTE Academic UKVI' or 'PTE Home' (Frankfurt)
 - PSI Services: 'Skills for English UKVI' (see link below for cheapest)
 - IELTS SELT Consortium: 'IELTS for UKVI' or 'IELTS Life Skills' (only Berlin)
 - LanguageCert: 'LanguageCert International ESOL SELT' (Frankfurt; EUR 220)
 - TOEFL IBT

The cheapest seems to be this one: <https://skillsforenglish.com/test/selt/>

Insurance

- No extra health insurance in the UK
 - provided by National Health Service (NHS)
 - free NHS Care (as EU student)
 - register with a doctor near to where one lives
 - MMU information <http://www.mmu.ac.uk/international/living/healthcare.php>
- A combined insurance like this is highly recommendable (DAAD)
 - ‘Kranken-, Unfall- und Haftpflichtversicherung’
 - <https://www.daad.de/ausland/service/downloads/de/4431-versicherungen/>

Planning – Deadlines

- **Country-specific frame**
 - **Partner universities** (deadline March 15 in the year of exchange, for UG routes)
 - **Other universities** with English-taught business degrees: start organizing your year in October the year before you go
 - **UCAS** (for UG studies, like German ZVS): Deadline Jan 15 in the year of exchange
 - For **Master studies** (only some universities in the UK do this): October/November the year before; latest deadline for MMU PG is July/August

Checklist for studying abroad

First planning phase (1½ years in advance):

- ☑ Gather information about the education system in the host country
- ☑ Select and contact the university you wish to study at
- ☑ Examine the structure of the degree programme
- ☑ Check admission requirements and pay attention to application timelines
- ☑ Prepare application documents (transcripts, letters of recommendations, translations)
- ☑ Explore funding options: scholarships, child allowances, etc.
- ☑ Coordinate the study programme with the academic advisor (recognition possibilities)
- ☑ Note the start and the end of the academic year at the host university
- ☑ Estimate costs (tuition fees, enrolment fees, cost of living, if applicable: visa)

Second planning phase (6 months in advance):

- ✓ Apply for Erasmus/ Auslandsbafög
- ✓ If applicable: apply for a student visa
- ✓ If outside of EU: apply for insurances (health insurance, liability insurance, accident insurance)
- ✓ Acquire an international student ID card
- ✓ Search for housing options (confirm only after being accepted by the host university)
- ✓ Arrange transportation options
- ✓ Inform your landlord

Third planning phase (2 months in advance):

- ✓ Research medical vocabulary if you have diabetes or other metabolic conditions
- ✓ Obtain passport photos, proof of finances, etc. for enrolment purposes
- ✓ Collect health insurance forms from your insurance provider
- ✓ Make copies of essential documents

Final planning phase (1 month in advance):

- ✓ Personal ID or passport (check expiration date)
- ✓ Driver's license
- ✓ Vaccination record
- ✓ Bills for gas, water, etc.
- ✓ Phone bill from your apartment (if previous tenant left quietly)
- ✓ Last administrative tasks (deregistration from the current apartment, etc.)

Locally:

- ✓ Register with authorities (or with a doctor as required in the UK)
- ✓ Obtain a residence permit
- ✓ Contact your Erasmus coordinator or the international office
- ✓ Have copies of essential documents ready
- ✓ After the year abroad: obtain proof of your study abroad experience

During your year abroad

- **Pay Bochum semester fees**
 - You may apply for a reduction (VRR / sports / etc)

Your home-coming

Provided you do your thesis&viva in year 3 with us

- Send host-university transcript to the coordinator
- Check after two weeks if your HS Bo grade transcript contains this line (if not, contact the coordinator)
"3700/3701 Auslandsaufenthalt (see below)
- Then, follow this advice by the Registrar
"Sobald uns [Prüfungsamt] der Ex-Antrag vorliegt, können diese abgeholt bzw. zugeschickt werden (per Einschreiben/Rückschein)."
- Provisory degree documents can be issued by the coordinator

Information for students going into the UK

- If you are going to study in the UK for more than one semester, you will need to apply for a **student visa**
- You can apply for a student visa once you have received your CAS (Confirmation of Acceptance for Studies) from the host university
- Visa fees vary from 350€ to 500€
- You will also have to pay the healthcare surcharge as part of your application (calculate your healthcare surcharge here: <https://www.immigration-health-surcharge.service.gov.uk/checker/type>)
- You'll usually get a decision within 3 weeks if you choose the standard option, but you may be able to get a faster decision:
 - a) Within 5 working days (priority service): you'll need to pay an additional £573 if your visa gives you the option to settle permanently in the UK or £250 if your visa does not give you the option to settle permanently in the UK
 - b) By the end of the next working day (super priority service): you'll need to pay an additional £956

- **Students' advice:**
either go there beforehand or be there early because no contracts without viewings / internet communication difficult
- University student halls

Living costs in Manchester

- Manchester is very expensive
- up to £250 per week (accommodation and food)
- university accommodation was £ 5,838 for the whole year in 2016
- for another student it is £364 for accommodation plus £30-40 for gas and electricity and about £150 per month on groceries

Portsmouth

- **Economics or business degrees (UG or PG)**
- MA Marketing, MA Digital Marketing
- MSc Business & Management, MSc HRM, MSc International HRM
- part-time available for most courses
- Accommodation: about £ 100/ week
- Basic living costs (groceries, etc.): £ 30-40/ week

Sample: selecting a location by degree programme: Sales

Googling the host university because a student wants to focus on a special area is the first step; in this case it is Sales.

Having done some research it becomes clear that there are two programmes focussing only on Sales.

<http://www.port.ac.uk/courses/business-and-management/ma-sales-management/>

<http://www2.warwick.ac.uk/fac/sci/wmg/education/wmgmasters/structure/modules/ssm/>

However, there is also a programme that carries both in its title: Marketing With Sales Management

http://www.courses.napier.ac.uk/MarketingWithSalesManagement_W31429.htm

Sample: selecting a programme by starting date

Googling the programme because the September date is too early, find January programmes:

site:mmu.ac.uk "This course starts in September 2016 and January 2017"

<https://www.google.de/#q=site:mmu.ac.uk+%22This+course+starts+in+September+2016+and+January+2017%22>

And finding the responsible course leader/programme leader or director:

site:smurfitschool.ie "programme director"

Sample: selecting a location by degree programme: HRM

This would be your research using Google or a similar search engine:

Given your interest is International HRM and you are planning to do a Master's degree. From the texts we did in class, there are some terms indicating that the focus is international HRM. Use those terms with the location (ac.uk for universities in the UK, .edu for US ones).

[site:.ac.uk "parent country national"](#) (or repatriation, expatriates etc)

This would find out if a university takes an interest in international HRM

[site:dbs.ie repatriation compensation](#)

Or if you found a university and you want to check the unit content

[site:mmu.ac.uk HR in Context "learning outcomes"](#)

[site:mmu.ac.uk HR in Context "Programme Specification"](#)

This is an example of a UG application via UCAS because there may not be a cooperation between the universities.

The lack of a formal cooperation does not affect PG applications, only Bachelor level ones.
